2.	Section VI: Page No 57 Para "place of Training and infrastructure"	The Statement " Place of training for both……………teaching aids to the trainees"
		 Shall be read as
		 " **1.** Training of 240 Power User will happen at two SPMCIL's locations
		    i. Nasik for five modules i.e. SD, MM, PP, PM & QM
		    ii. Noida for two modules i.e. FICO & HR(including India Payroll)
		 • Training Infrastructure to be provided by SPMCIL
		    i. Server
		    ii. Desktops
		    iii. Projectors
		    iv. Rooms with sitting arrangement for 20 persons
		 • Travelling, lodging & boarding and all related expenses shall be borne by bidder.
		 • The power user training will be for at least 15 working days.
		 • Bidder shall have to run two batches for each module; second batch shall start after one week of successful completion of first batch.
		 • Existing user manuals will be shared with successful bidder for preparing of training material in line with SPMCIL business process requirements. Bidders will be required to address all queries of trainees arising out of day-to-day business operations – this is the main driver for the training program.
		 • Bidders can inspect the sample user manuals for better planning and estimation at corporate office during working hours before submission of bids.
		 • Bidder shall be responsible for the Training Server Readiness and shall have to perform following activities on SPMCIL Server:
		 i. Formatting of existing IDES server.
		 ii. Installation of SAP ERP (SPMCIL copy) in formatted server.
		 iii. Perform client copy of existing production server.
		 iv. Production client import.
		 v. Post installation activities, e.g. user id creation etc.
		
		 2. The training for "SAP Certified Solution Consultant" will be at bidders' location. SPMCIL shall bear the cost of travel and stay of its employees."

3.	Section XI: Price Schedule Please add line item 5	Please add line items no 5 as "Man-day rate for power user training" Please note that this man-day rate will not be considered for financial evaluation purposes. This will be used only in case SPMCIL wishes to extend the module training for a few days beyond the specified 15 days.

Rest of the tender document remains unchanged
