विषय: Grant of NABL accreditation to SPM laboratory - reg.

Respected Sir,

With great pleasure, it is to intimate that SPM, Hoshangabad is awarded with the ISO/IEC 17025:2017 certification by National Accreditation Board for Testing and Calibration Laboratories (A constituent Board of Quality Council of India) for the "General Requirements for the Competence of Testing & Calibration Laboratories" for its facilities at Security Paper Mill, Hoshangabad in the field of testing.

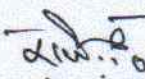

2.0 With this achievement, Security Paper Mill, Hoshangabad has become the first among the nine units of SPMCIL to have certificate of Accreditation in the field of Chemical & Mechanical discipline for pulp and paper products. The grant of accreditation was issued on 03/08/2020 having validity up to 02/08/2022 (copy attached).

3.0 The benefits of NABL accreditation brings enhanced Competency in testing, raises customer confidence and satisfaction in testing certificate issued by the laboratory with universal acceptability in the open market which provides greater access for their products, in both domestic and international markets. The given assignment is accomplished with the support of concerned officials and employees of SPMH, under the guidance of CHO, SPMCIL.

Submitted for kind information please.

Encl.: As above

भवदीय,

07/08/2020

Subject: **Grant of Accreditation**

Dear Sir,

This has reference to the final assessment of your laboratory conducted during **14-15, July, 2020** for Chemical & Mechanical discipline testing. NABL has reviewed the assessment report of your laboratory and pleased to inform that accreditation of your laboratory in discipline of Chemical & Mechanical testing is granted in accordance with ISO/IEC 17025:2017 as per the scope and authorized signatories recommended by the assessment team.

You are requested to follow NABL-133 (current issue) for using NABL symbol & for using NABL Accredited CAB Combined ILAC MRA Mark on your test report. Further Clarification regarding permission from NABL to use NABL Accredited CAB Combined ILAC MRA Mark is given in following link

<https://nabl-india.org/wp-content/uploads/2020/06/Use-of-NABL-Accredited-CAB-Combined-ILAC-MRA-Mark.pdf>

Your laboratory is eligible to use NABL symbol on Test Reports issued by you as per guidelines given in NABL 133 with effect from **03, August, 2020**.

The accredited laboratory shall mention the ULR No. on all the test reports. The details for implementation of ULR No. is given in the below link, you are requested to go through the same.

<https://nabl-india.org/wp-content/uploads/2019/04/NABL-GeM-letter-5.pdf>

The accreditation is granted for two years subject to your satisfactory compliance to the terms and conditions to maintaining NABL accreditation (refer NABL 131). There will be a Desktop Audit (Offsite audit) on completion of a year of accreditation to verify your continued compliance to NABL requirements.

Accreditation Certificate (TC-8948) for Chemical & Mechanical discipline of testing having issue date 03.08.2020 & validity till 02.08.2022 is under preparation and will be sent to you soon. Mr. Garjeet Singh and Mr. Indrani Payra proposed by the laboratory to report, review and authorise the results are accepted. However, laboratory is required to address the following within 30 days:

1. Review the upper limit of range of testing for Moisture and Ash Contents tests in the Chemical scope.

Note-Laboratory is also advised to participate in ILC Program with more number of accredited laboratories.

Yours Sincerely,

Sachin Tomar
