MESSAGE

In line with the directives of the Central Vigilance Commission, SPMCIL is observing Vigilance Awareness Week- 2018 from 29.10.2018 to 03.11.2018 on this year's theme 'Eradicate Corruption – Build New India'. The observance of such events generates cautiousness and awareness amongst the officials of SPMCIL.

Corruption cannot be brought down unless all stakeholders develop a vision for a Corruption Free Society. There is a need to promote the culture of accountability, transparency and ethics in the Public Sector Undertakings in which vigilance plays a vital role and project a clean image of an organization. Its positive contribution is a protector of image of Integrity which needs to be appreciated.

I am happy to know that number of activities have been planned during the Vigilance Awareness Week 2018 on the current year's theme of 'Eradicate Corruption – Build New India' like holding of debate, essay, poster, quiz competitions in offices as well as different schools/colleges, conducting seminars/workshops/gram sabhas and other sensitization programs in order to achieve this objective.

I wish Vigilance Department of SPMCIL all success in its endeavors for making our organization free from corruption and malpractices.
